COMMON CAUSES OF INELIGIBILITY AND/OR DISQUALIFICATION OF PROSPECTIVE SUPPLIERS/SERVICE PROVIDERS

1. Request for Quotation

- a. Non-submission of the duly **filled out and signed** Request for Quotation (RFQ) form (using the latest version issued and/or posted, unless only the deadline of submission was changed).
- b. Signatory in the RFQ is not authorized to sign on behalf of the prospective supplier (*i.e.*, not among the authorized representatives of the prospective bidder, as stated in a Secretary's Certificate, Board/Partnership Resolution, or Special Power of Attorney, whichever is and if applicable, in case of a corporation, partnership, or cooperative, or joint venture; or in a duly notarized Special Power of Attorney in case of a sole proprietorship, if applicable).
- c. Failure to comply or failure to state compliance with any of the technical specifications (indicated by a "check mark here" watermark).
- d. Failure to provide a financial offer. In this regard, where a required item is provided, but no price is indicated, the same shall be considered as non-responsive, but specifying a zero (0) or a dash (-) for the said item would mean that it is being offered for free to the Government.
- e. *[Only if required in the RFQ]* Failure to include supporting documents specified under the technical specifications (e.g., sample design, manufacturer's certificate, etc.).
- f. Failure to sign the RFQ.
- g. Discrepancy in the name of the business entity, unless the business entity is a Sole Proprietorship and the affiant is the owner/sole proprietor.
- h. Submission of the RFQ and supporting documents beyond the prescribed deadline.

2. Supporting Documents

a. Latest Mayor's/Business Permit

- i. Non-submission of latest Mayor's/Business Permit
- ii. Submission of an expired Mayor's/Business Permit.

In this regard, prospective suppliers may submit a recently expired Mayor's/Business Permit with Official Receipt as proof of renewal application. *Provided*, that the application for renewal must be made and paid for within the first 20 days of January, or of each subsequent quarter as the case may be. The current and valid Mayor's/Business Permit, as renewed, shall be submitted or presented by the bidder with the Lowest Calculated and Responsive Bid or Highest Rated and Responsive Bid as a condition to the award of contract.¹

b. Valid PhilGEPS Registration Number/Organization ID/PhilGEPS Certificate of Registration (Platinum Membership)

- i. Non-registration with PhilGEPS.
- ii. Registration with PhilGEPS is suspended.
- iii. Prospective supplier is blacklisted as provided in the Consolidated Blacklisting Report of the Government Procurement Policy Board (GPPB).²

c. Notarized Omnibus Sworn Statement using GPPB-Prescribed Format, accompanied with proof of authorization, if applicable (for Negotiated Procurement - Small Value Procurement projects with ABCs above Php50,000.00)

- i. Non-submission of the Omnibus Sworn Statement (OSS) in the form prescribed by the GPPB and not containing all the mandatory provisions/items of the OSS as provided in

¹ Pursuant to GPPB Circular 01-2015 dated 30 January 2015.

² Consolidated Blacklisting Report which may be accessed through this link: <https://www.gppb.gov.ph/consolidated-blacklisting-report/>.

Item 6.1(e) of GPPB Circular 04-2020.³

In this regard, prospective suppliers who intend to not use the prescribed OSS form are advised to ensure that all the mandatory provisions/items of the OSS provided in Item 6.1(e) of GPPB Circular 04-2020 are present in the OSS that will be submitted.

- ii. The OSS is dated prior to the issuance of the RFQ (*i.e.*, it is not possible to execute the OSS prior to the official release of the RFQ).
- iii. The OSS is not signed by an authorized representative of the prospective bidder.

The proof of authorization shall be a duly **notarized Secretary's Certificate, Board/Partnership Resolution, or Special Power of Attorney**, *whichever is applicable, in case of a corporation, partnership, or cooperative, or joint venture*; or a duly **notarized Special Power of Attorney** *in case of a sole proprietorship*, giving full power and authority to its officer to sign the OSS and do acts to represent the prospective bidder.

- iv. The OSS does not state the project title or indicates an incorrect project title.
- v. The OSS indicates the incorrect name of the Procuring Entity.
- vi. Discrepancy in the name of the business entity, unless the business entity is a Sole Proprietorship and the affiant is the owner/sole proprietor.
- vii. Submitted OSS is not notarized.
- viii. Submitted OSS has a defective notarization, such as in the following cases:

1. The OSS is signed by a notary public but there is no jurat (*i.e.*, the statement before the signature of a notary public that states "SUBSCRIBED AND SWORN TO before me xxx").
2. The notary public has no authority/jurisdiction to notarize the document (based on his/her notarial commission) in the city or municipality indicated therein.
3. There is a discrepancy in the place and/or date of execution and the place and/or date of notarization (*i.e.*, the place and/or date of oath execution is different from the place and/or date where/when the notarization took place).

Under Section 6, Rule I of the 2004 Rules on Notarial Practice, a jurat refers to an act in which an individual on a single occasion **signs** the instrument or document **in the presence of the notary** and takes an oath or affirmation **before the notary public** as to such instrument or document.

4. Required entries in the Notarial Register (*i.e.*, document number, page number, book number, and series number) are not indicated on the document.
 5. The document does not indicate the competent evidence of identities of the parties' signatories thereto unless the *jurat* indicates that the signatories are personally known to the notary public.
- ix. The submitted authorization document (*i.e.*, Secretary's Certificate, Board/Partnership Resolution, or Special Power of Attorney, whichever is applicable) in support of the OSS, whenever required, is defective, such as in the following cases:
 1. The proof of authorization reflects incorrect project name and/or name of the Procuring Entity (*i.e.*, in case project specific).
 2. The proof of authorization is not notarized.
